## KEY BENEFITS OF REGULAR MAINTENANCE INCLUDE:

Prolonged equipment efficiency  
Promotes healthy, clean air  
Supports lower utility costs  
Guards against unexpected failures  
Prolongs equipment life

*Regular maintenance not only helps prevent performance issues but is also required by manufacturers to keep your standard parts coverage warranty active with a completed annual inspection by a certified technician.*

## OUR PRECISION MAINTENANCE INCLUDES BUT NOT LIMITED TO

- ❖ Check thermostat operation and calibration
- ❖ Check units for proper refrigerant charge
- ❖ Check indoor and outdoor condenser coils
- ❖ Check temperature across evaporator coil and/or heat exchanger to ensure proper output
- ❖ Check and clean condensate drain lines and pumps
- ❖ Provide and replace pleated 1" filters or clean permanent air filters
- ❖ Check all wiring connections and terminals
- ❖ Check belts (when applicable)
- ❖ Check voltage and amperage on all motors and compressors
- ❖ Check all contactors and relays for operation and condition
- ❖ Check and clean gas or oil furnace or boiler (includes nozzle, oil filter, and pump strainer when applicable)
- ❖ Check overall operations and condition of equipment
- ❖ Check and adjust all safety controls
- ❖ Check unit for excessive vibration & noise
- ❖ Check vent pipe for clogs and safe operation
- ❖ Check heat exchanger

## JOIN OUR CLUB MEMBERSHIPS

Redmond's Complete Comfort is focused on providing the highest level of service with a focus on earning referrals from our satisfied clients.

The most expensive investment in your home is in the care of responsible experts who set the standard of excellence for our industry by following National Standards for service and training.

Our technicians are tested and certified through North American Technician Excellence (NATE).

Our maintenance plans follow ENERGY STAR® Recommendations along with National Standards for residential maintenance.

*Perform annually to maintain peak performance and efficiency!*

## 100% SATISFACTION GUARANTEED

Your technician will be professional, uniformed, and qualified to work on your equipment.

RCC will take extraordinary care of your home.

RCC will provide you with a quote for repairs before we start any work.

RCC technicians will follow a stringent quality assurance task list to ensure a complete and thorough service each and every time.
